Dear Yukti,

I am truly touched and beyond grateful for the amazing surprise birthday party you organized for me! It was such a wonderful and unexpected gesture, and I cannot express how much it meant to me.

From the thoughtful decorations to the delicious food and the company of such wonderful people, everything was perfect. I feel incredibly lucky to have friends/family/colleagues like you who went out of their way to make my day so special.

Thank you from the bottom of my heart for your time, effort, and love. It was a birthday I will never forget, and I appreciate every moment of it.

With gratitude and appreciation,
Nisha Patel
